**Important Sizing Notes:**

- ✓ Please make sure you take the time to properly measure

- ✓ Below is a guide for measuring and the chart is for determining overall size – please keep in mind that the overall gown needs to be ankle length. The most important measurements are **BUST and WAIST**, please make sure they are correct.

- A. Measuring Waist – Measure around the natural waist
- B. Measuring Length – Measure from waist to the ankle, wearing shoes to be worn with dress (black closed-toe dress shoes).
- C. Measuring Bust – Measure around the fullest part of the bust and keep the tape parallel to the floor.
