Please note:

- All events are subject to change per the county calendar. I'll always try to give you heads up.
- All events are mandatory performances for students (not including away games).
- Away games are selected on a volunteer basis and may not occur based on communications between Mr. Welker and other schools' directors.
- The Reisterstown Festival Parade (9/7) is a paying event. We will travel as a group by bus, departing from HoHS. We should be home by about 1:00pm depending on our placement in the parade.
- The Stevenson University Band Day (10/5) is a special opportunity for students to perform with hundreds of other musicians in a university marching band setting. Special arrangements have been made specifically for HoHS to be guests at this event. The event runs from 8am-3pm. We will travel as a group by bus, departing from HoHS. We should be home by about 4:00pm.
- All Middle School Recruiting Initiatives are TBA based on director communication and admin support.
- It is the student's responsibility to maintain a personal calendar to align commitments of sports and other school activities.
- Communications regarding conflicts are expected to be submitted to Mr. Welker at least two weeks in advance in written documentation. Passing me in the hall and telling me doesn't count!
- Students accumulating repeated unexcused absences may be dismissed from the marching band following a parent/teacher conference for evaluation.
